Lilian,

In anticipation of our phone call on Friday, August 23, attached is my final proposed draft of the informal Resolution Agreement. The only remaining issue to be resolved is whether HDOA will allow ADC to use their personnel for any nondiscrimination coordinator position that may be necessary. That issue is currently on the HDOA board meeting agenda, set for August 27, 2019. Subject to the HDOA decision to allow the use of its personnel, the attached draft agreement is acceptable to ADC.

Please review the final draft and let me know if the changes are acceptable. I can still be available, with my client, on Friday to discuss the language and remaining issue. If you have no issues with the changes, let me know if you would prefer to postpone the phone call until after the HDOA meeting.

Thank you,

Andrew
